

MUSIC IN SCHOOLS | BUS PROGRAMME

SMALL-GROUP LESSON DESCRIPTIONS

INTRO TO MUSIC

This class offers children a fun introduction to a range of musical instruments, taking students through the fundamentals of; guitar, drums and keyboard, learning the basics of each. It provides a great musical foundation, and helps children decide which instrument they are most interested in pursuing in the future. An exciting option that opens up the world of music.

KEYBOARD

Our keyboard classes will teach the fundamentals of learning the keyboard, both for beginners and those who have had some lessons before. Our Ignite keyboard books are divided into levels and will use both traditional and modern songs as part of the repertoire as well as incorporating technique, theory and composition elements into the weekly lessons.

VIOLIN

During our Violin lessons, students will develop the fundamental skills of violin/viola, while learning to play with grace and fluidity. Our instructor guides students with a fun and flexible approach, ensuring that enjoyment and fun is a big part of the lesson teaching plan.

GUITAR & BASS GUITAR

Build your guitar skills step-by-step. First, you'll get to know your guitar. Then explore the fundamentals of music notation and find out how to produce clear, notes and chords. You'll also discover how to control your rhythm, tempo, and volume, and how to express yourself artistically. Whether you're a beginner or an intermediate student, this course will take your musical talent to the next level.

VOCALS

Vocal classes include exercises that help to develop a healthy vocal technique, expand range, build power, control, improve confidence, and over time, a beautiful singing tone. Students also learn songs and sing them together, and as they become comfortable, they are encouraged to sing individually in front of the group.

DRUMS

This class is geared towards those who have little or no prior drumming experience, but also accommodates intermediate players. Basics are covered such as: holding and striking a drum properly, basic coordination drills, easy rhythms, and playing as a group. Those with prior experience will be given more challenging rhythms and playing techniques.

UKULELE

Learn to play the ukulele with these fun group lessons. Get to know all the parts of your ukulele, and learn how to tune your instrument. After that, you'll explore the fundamentals of music notation and find out how to produce clear, notes and chords. You'll also discover how to control your rhythm, tempo, and volume, and how to express yourself artistically.
